

## KYOCERA TASKalfa 6053ci

### Outstanding 60-ppm Colour Copier MFP

The KYOCERA TASKalfa 6053ci, chosen by Buyers Lab analysts as the winner of the Summer 2019 Pick award for Outstanding 60-ppm Colour Copier MFP, offers...

- Near-impeccable reliability to maximize uptime
- First-rate image quality that will meet the needs of both general office and marketing-intensive environments
- Intuitive job programming from both the scan and copy screens, plus user-by-user panel customization for up to 50 commonly used job types
- Fast scan speeds to boost both device and worker productivity
- Strong remote printing and cloud-readiness, with support for both Apple and Android-powered devices via KYOCERA Mobile Print and Google Cloud Print, as well as standard WiFi-Direct and NFC support

“Not only was reliability close to perfect, but printed image quality more than made the grade, earning very good marks for business graphics and photographic images,” said Joe Ellerman, Manager of U.S. Lab Operations at Keypoint Intelligence - Buyers Lab. “Moreover, the KYOCERA TASKalfa 6053ci’s top-flight colour consistency ensures dependable colour output quality through-and-through.”

“The KYOCERA TASKalfa 6053ci promises to be an outstanding overall performer for mid-size workgroups,” said George Mikolay, Associate Director of Copiers/Production at Keypoint Intelligence - Buyers Lab. “For the typical user, the creation of custom profiles as graphical icons through the Quick Print tab makes accessing and programming the most frequently used jobs effortless, while the easy-to-use web utility coupled with KYOCERA Fleet Services enables IT administrators to better troubleshoot and manage the devices on-network, from anywhere they see fit. Throw in Integration with KYOCERA’S HyPAS Platform to connect to specialized and embedded applications to streamline complex tasks, reduce costs, and enhance security, and it’s easy to see why the TASKalfa 6053ci was a shoo-in for a 2019 Summer Pick.”

## About Keypoint Intelligence - Buyers Lab

---

Keypoint Intelligence is a one-stop shop for the digital imaging industry. With our unparalleled services and unmatched depth of knowledge, we cut through the noise of data to offer clients the independent insights and responsive tools they need in those mission-critical moments that define their products and empower their sales.

For over 50 years, Buyers Lab has been the global document imaging industry's resource for unbiased and reliable information, test data, and competitive selling tools. What started out as a consumer-based publication about office equipment has become an all-encompassing industry resource. Buyers Lab evolves in tandem with the ever-changing landscape of document imaging solutions, constantly updating our methods, expanding our offerings, and tracking cutting-edge developments.

## About Buyers Lab Pick Awards

---

Buyers Lab Picks stand alone in the industry and are hard-earned awards as they are based on rigorous testing, including an extensive durability assessment and evaluation of key attributes such as usability, image quality, and value. Each product that passes our lab test earns Buyers Lab's Recommended or Highly Recommended seal and our Certificate of Reliability, with the best performers qualifying as Pick contenders.
